

Master of Engineering Program in Information Science and Technology (International Program)
Master of Engineering (Information Science and Technology)
2 Year

A1: Research Oriented Projects (2-year program) IST

Total Credits of the Program	No less than	40	Credit
Curriculum Structure			
1) Core Courses	No less than	2	Credit
1.1) Seminar			2 Credit (non credit)
IST 597 Seminar (SU)			1(0-0-0)
1.2) Professional Development			3 Credit (non credit)
IST 591 Professional Development (SU)			3(3-0-6)
1.3) Leadership in Science and Engineering			3 Credit (non credit)
IST 592 Leadership in Science and Engineering (SU)			3(3-0-6)
1.4) English for Academic Research		2	Credit
IST 598 English for Academic Research (GD)			1(--)
2) Thesis	No less than	38	Credit
IST 599 Thesis (SU)			0(0-0-0)
