

Doctor of Philosophy Program in Materials Science and Engineering (International Program)

Doctor of Philosophy (Materials Science and Engineering)

3 Year

1.1: Research Oriented Projects (3-year program) MSE

Total Credits of the Program	No less than	50	Credit
Curriculum Structure			
1) Core Courses	No less than	2	Credit (non credit)
1.1) Colloquium		2	Credit (non credit)
MSE 688 Colloquium III (SU)			1(0-0-0)
MSE 689 Colloquium IV (SU)			1(0-0-0)
1.2) Professional Development		3	Credit (non credit)
MSE 668 Professional Development (SU)			3(3-0-6)
1.3) Leadership in Science and Engineering		3	Credit (non credit)
MSE 669 Leadership in Science and Engineering (SU)			3(3-0-6)
2) Thesis	No less than	50	Credit
MSE 699 Thesis (SU)			0(0-0-0)
